NUTRITIONAL INFORMATION

Please note: This nutritional information provided by Burger King Company LLC regarding our food is as complete as possible at the time of this publication. The source of this nutritional information is reported to us by our suppliers or is lab tested “as an end product” by an accredited laboratory. We use software to calculate this nutritional data. Variations may occur depending on the supplier and on product assembly on a restaurant-by-restaurant basis. Product formulations may change periodically, we continue to update this list to reflect changes that occur in our products. Adults are recommended a daily intake of 2000 calories. Children are recommended a daily intake of 1800 calories. 20 piece serves approximately 4 adults. Sharer box serves approximately 4 adults.
